

The Producers Group is one of the largest national life insurance brokerage agencies in the country. Our mission is to provide you with the latest financial products and the highest quality professional services available in the industry today. We have literally doubled the income of many agents utilizing creative solutions in conjunction with our unique and proprietary *Controlled Submission*<sup>SM</sup> underwriting process.

### **Changing the Way Business is Done**

- Providing Internal Risk Assessment
- Examining Pricing Parameters
- Improving Carrier Selection
- Decreasing Turnaround Time
- Improving Placement Ratios
- Increasing Offer Probability

Our *Controlled Submission*<sup>SM</sup> underwriting process is powered by a unique blend of Medical Directors, Senior Underwriting Advisors, and Case Managers. Beyond the management of standard risks, our comprehensive impaired risk platform will provide you with the best possible position to obtain an offer you can place. Whether preferred or impaired risk, financial justification, foreign residence/travel, or nationality risk, you will be able to work directly with these individuals in a manner that will allow us help you manage your case objectives.

Call to explore all of the opportunities to help grow your business with confidence.

**What you can't do alone, we can do together.**
